Power up your social impact.

However you do good in the world, there’s something for you at TechSoup. We provide the transformative technology solutions, the digital platforms, and the in-person experiences that enable people to work together toward a more equitable world.

TechSoup has partnered with more than 69 of the world’s leading civil society organizations to improve lives globally through the use of technology. These partners jointly manage a range of capacity-building programs to serve communities in nearly every country of the world.

---
